# Temple run

## 50

Beneath the celestial gaze, where devotion meets eternity, stands a sanctum of Shiva's glory. Name this temple Flag{template\_name}

As its osint challenge with one png image attached, I directly go to reverse the image.

As here I got to know the place where the image origin is, so I now need to check the nearby temple to get the flag and I got this.

As it shows the temple is the Vishwanath with full name with search, we got Kashi Vishwanath Temple.

FLAG: {Kashi\_Vishwanath}
